

## Grateron Family in Brazil

Mustard Tree Missions - A seed of faith growing in Brazil ...  
a tree blossoming in Venezuela.*

Dear brothers and sisters in Christ,

My name is Juanluis Grateron, and I serve as a missionary with my family through Mustard Tree Missions in Venezuela and here in Brazil.

We are currently serving in Brazil and have joined the United Church of Jesus Christ in a wonderful endeavor these past few months. After suffering harsh attacks as a family from the enemy here in Brazil, the Lord has raised us up stronger to fulfill His purposes! During this time, God has guided us toward a new stage: The formation of our own missionary church base: (Missões Árvore de Mostarda.) Mustard Tree Missions Church.

### • Our vision

The time has come to move into a new stage in our ministry and establish a vibrant faith community in Brazil that, within a year, will become a spiritual and financial support for building up the missionary work in Venezuela. To do this, I need to free up time from work to dedicate myself to evangelism, discipleship, leadership training, and building the church itself.

The next stage will be in Venezuela, on a plot of land that God has already provided. There, we will build a church and community center, a place where the Gospel can transform lives and where we can welcome Brazilian and American missionaries to join us in this work.

### • How can you be a part of it?

First, pray for us and the ministry here in Brazil.

Second, we are building a small but powerful team of missionary supporters—men and women who will sow monthly into this work to develop this project in Brazil and then return to Venezuela to continue the work there for Christ.

We invite you to join us in one of these ways:

- 5 people donating \$100 USD monthly for 12 months
- 10 people donating \$50 USD monthly for 12 months.
- 25 people donating \$20 USD monthly for 12 months.

Or you can donate whatever amount the Lord puts in your heart; we only ask, in the name of God's work, that it be recurring monthly for at least 12 months.

All donations will be channeled directly through MustardTreeMissions.org and are tax-deductible. (see the link at the end of this letter)

You can also donate via Western Union. (See the information at the end of this letter.) These donations will go directly to myself (Juan Grateron) and therefore are not tax deductible.

#### • **Our Promise**

We will pray for every person who contributes to this vision, knowing that behind every dollar there is faith, obedience, and love for souls.

Your seed will make it possible for the Kingdom of God to continue growing—in Brazil, in Venezuela, and to the ends of the earth.

*“The kingdom of heaven is like a mustard seed... which, though it is the smallest of all seeds, when it grows up, is the largest of garden plants.” —Matthew 13:31-32*
