

Mustard Tree Missions

From Our Missionary Family

We want to take a moment to thank each of you for your faithful prayers and encouragement. By God's grace, we've been doing well this month. As a missionary family living in Brazil, we experience both the joys and the challenges that come with following Jesus and serving far from home.

There are days filled with fruit and joy, and others that stretch our faith and remind us of our daily need for God's strength. Living in a different country brings its own set of obstacles—language, culture, and distance from loved ones—but we continue to stand firm, knowing that we are not alone.

Your prayers make a real difference. We feel them. We need them. Please keep praying for wisdom, strength, protection, and unity in our family as we continue to share the love and truth of Christ with those around us.

Thank you for being part of this journey.

MAY 2025

Bibles for everyone Project

Bringing the Word of God into the hands of those in need

In many corners of Brazil, Venezuelan families still live without access to a personal Bible. Forced to leave their country in search of hope and stability, these families are not only rebuilding their lives but also seeking to know the God who never abandons them.

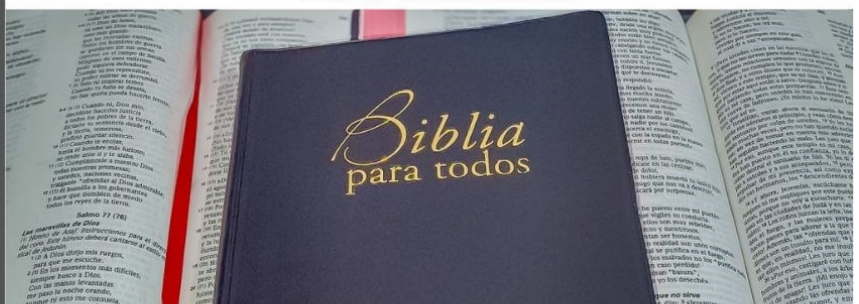

Through the Bibles for Everyone Project, we are changing that—one Bible at a time. This month, thanks to your generous support and prayers, we were able to distribute six Bibles in Spanish languages to newly baptized members of the United Church of Jesus Christ in Florianópolis, pastored by Pastor Jose Atacho.

Each Bible is not just a book—it's a seed of hope, a source of truth, and a doorway to salvation. We've witnessed tears of joy, hearts awakened, and lives transformed as people hold the Word of God in their hands for the very first time.

We also donated 20 boxes of mini wax crayons to the children's Bible school.

Thanks to your support, the message of love, salvation, and new beginnings is reaching those who need it most. These Bibles are more than books—they are lifelines in a season of uncertainty.

Let us keep pressing forward. Many more are waiting to encounter God through His Word. Will you continue to walk with us on this mission?

@mishjugrand - mustardtreemissions.org

It is a great honor for us to be able to serve God's Church in this way.

Every Bible is a source of hope, an open door to salvation! The Bible is the most widely distributed book in the world, and yet, many people today don't have one in their hands.

Bringing the Word of God to those who don't yet have it is our mission!

Today more than ever, the world needs the Word of God!

The Bible – Our Living Guide

"Your word is a lamp to my feet and a light to my path." —

Psalm 119:105 (ESV)

In a world filled with confusion, noise, and countless voices, God's Word stands as a solid and unchanging foundation. The Bible is not just an old book—it is the living voice of God speaking to us today. In its pages, we find comfort in suffering, correction when we stray, wisdom for our decisions, and strength to keep walking in faith.

Jesus Himself said, "Man shall not live by bread alone, but by every word that comes from the mouth of God" (Matthew 4:4). Just as our physical bodies need food to survive, our souls need God's Word to thrive.

When we neglect the Bible, our spiritual lives become weak and directionless. But when we treasure it, meditate on it, and apply it, we grow strong, focused, and filled with God's presence. The Bible doesn't just inform us—it transforms us. It leads us to know God more and to become more like Jesus.

Reflection:

Are you feeding your soul daily with God's Word? Is the Bible your daily guide or just your backup plan?

Prayer:

Lord, thank You for Your living and powerful Word. Help me to love it, understand it, and obey it each day. Let Your truth guide me and anchor me in the middle of a changing world.

Amen.
